

TERMS & CONDITIONS

By booking with Sarah Meyrick Hair & Makeup Artist you are taking responsibility for the booking and agree to the following terms and conditions as an agreed contract.

SECURE THE DATE

A non refundable booking fee of £50 will/has been paid to secure the date in the artists diary as we get so busy we need to book this time out. This will come off the wedding date total. No booking is secured in the artists diary until payment has been made.

TRIALS

Trial dates will be discussed if required and any non refundable booking fees paid. Trials are £10 per service hair or makeup and per person. Full payment for any trials will be taken a week before via bank transfer. During a consultation or trial every effort will be made to ensure the client is happy with the overall look. Any allergies or sensitive problems the artist needs to be made aware of, especially for products being/to be used. The artist takes no responsibility for any reactions caused during/after the trial and on the wedding day.

Trials are given 1.5 hours for Hair or Makeup for brides. Any additional timings will be charged as another trial price. Please ensure that the artist/stylist has access to electrical points, and hand washing facilities. A suitable environment with adequate lighting and free from any hazards.

TRAVEL

As we are a mobile service a mileage fee is charged at 45p per mile. The first 5 miles are not included and will be calculated from Sarah Meyrick's home post code as a return journey. You will accept to pay for any accomodation costs where necessary. This may include not being practical to travel to you on the wedding day due to timings, or any severe weather forecasts. This will always be discussed beforehand.

FINAL PAYMENTS

A non refundable total payment for the wedding is required a month before. This is due to the nature of the business, it is difficult to fill allocated dates and times in short notice, especially in high wedding season. All payments are to be made via bank transfer - cash is no longer accepted. Details for this will be given when required.

MINIMUM BOOKINGS

A minimum of two people for hair/makeup or bride hair and makeup is required on booking.

CANCELLATIONS

In an unlikely event that the artist has to cancel a full refund will be given, and an alternate artist will try to be sought if possible at the time. The client is to give at least 3 months notice of any cancellation, if not then the full balance will be charged by the agreed time frame above. Booking fees are non-refundable. This is also for any guests that decide to cancel their hair/makeup service within the original booking. Sarah Meyrick has the right to refuse/cancel any bookings if payments are not cleared through the payment method within the given time frame.

If any extra guests wish to add on to the booking please give atleast one month's notice so we can allocate extra time or book extra stylists and artists to cover the extra bookings. All payments for the extra guests must also be paid within the timeframe stated above,

If any artist/stylist are unable to attend on the day for unforeseen circumstances we will ask for an earlier start time, or we will try to find an alternative artist/stylist to step in if possible. Otherwise a full refund minus any booking fees will be given.

ON THE WEDDING DAY

The artist takes no responsibility for any changes made to the agreed styles on the wedding day. Times and styles have been allocated from the requirements of the trial and what was discussed and agreed. As we are up against time on a wedding day we prefer to know about any changes at least a month before. This will allow us to ensure that the amount of time is given and that we are able to maintain the highest professional standards throughout the service. By making changes on the day could cause stress and extra time to the service, making it difficult to finish the agreed services on time and in a professional manner.

Please ensure that the artist/stylist has adequate lighting, possibly near a window especially for makeup, access to electrical points, hand washing facilities and free from any hazards. Any minors need to be kept away from the artist/stylist whilst working as we used a lot of products and hot electrical equipment. If they are in the chair please try to keep them occupied whilst we do our job safely and as quickly as possible. Please notify all guests that we need to start on time in order to fulfill the timings allocated on schedule. We ask that you have freshly washed hair with only some mousse or textured spray in, either on the day or the night before. If the hair is wet on the wedding morning they will be expected to dry it before their allocated time slot, unless it is a blowdry, then make sure it is towel dried not soaking wet.

GDPR - CONFIDENTIAL INFORMATION

Any information passed between the artist and the client will be stored safely and correctly following gdpr guidelines and only used for the purpose of the wedding.
